

Adewale Samson Adeagbo

STEM Educator · Education Leader · EdTech Innovator · Data-Informed Teacher

"Learning Deliberately. Teaching Authentically." — Every student who is struggling has a gap — not a deficiency. My job is to find that gap, close it, and make the subject make sense. I do not teach to a class. I teach to individuals who happen to be in the same room.

PROFESSIONAL SUMMARY

Experienced Secondary School Educator, School Administrator, and EdTech

Innovator with over 15 years of continuous teaching experience across Lagos and Ogun State, Nigeria. Specialist in Mathematics, Further Mathematics, Physics, and Chemistry from JSS1 to SSS3. Beyond classroom teaching, I have served as Head Teacher and Principal, registered thousands of students for national examinations, set up CBT laboratories, and built a fully virtual school (HMG Academy). I combine deep subject expertise with genuine digital literacy — I hold a B.Sc.(Ed) in Computer Science Education (LASU, 2023) and I believe the future of education belongs to teachers who are not afraid to learn new things.

COMPLETE TEACHING RECORD — 15+ YEARS (2009 - PRESENT)

PERIOD	ROLE	SCHOOL / PLATFORM	SUBJECTS TAUGHT	LEVEL

PERIOD	ROLE	SCHOOL / PLATFORM	SUBJECTS TAUGHT	LEVEL
		Chrisville Model School, Ogun	Mathematics, Basic Science	

FOUNDER & DIRECTOR — HMG ACADEMY (FULLY VIRTUAL SCHOOL)

Founder, Director & Lead Educator

2015 - Present

HMG Academy (subsidiary of HMG Concepts) · Strictly Virtual · Nigeria · hmgconcepts.pages.dev

- Founded and lead a fully virtual educational institution with a dedicated team of subject-specialist teachers covering all subjects from nursery through secondary level
- Manage national examination registrations (WAEC, NECO, GCE, UTME) with **100% data accuracy** across all candidate records
- Built and deployed **CBT Pro** — a free, production-grade exam platform actively used by real students at zero cost to schools
- Organise academic seminars, inter-school quiz competitions, debate, and student career counselling programmes
- Set up CBT laboratories in schools — hardware, software configuration, and exam administration workflows
- Examinations supported: **WAEC · NECO · GCE · BECE · UTME · Post-UTME · IGCSE · IELTS · JUPEB · SAT**

EDUCATION & FORMAL TRAINING

B.Sc.(Ed) in Computer Science Education

Graduated 2023

Lagos State University (LASU), Nigeria — Degree integrates Computer Science with Education theory, equipping me to teach technology, use technology to teach, and understand how people learn.

3MTT Data Science Programme

Certified December 2025

Federal Government of Nigeria — The programme that unlocked the technical capability to build the EdTech tools I had always envisioned.

Piano Music & Rudiments of Music

2013

Rotop Music Academy — Practising pianist and guitarist. Music tutoring was part of early career (2014–2016).

Secondary School Certificate (SSCE)

2010

Bammy College, Nigeria
